## Hyundai Issues Important Warranty Extension

### Warranty Extension Z05

White Paint

Dear %%Name%%,

An important warranty extension has been issued on your %%ModelYear%% %%ModelName%%. Our records indicate that your vehicle, with Vehicle Identification Number (VIN): %%VIN%%, is affected by this warranty extension.

**Some vehicles may exhibit excessive paint peeling or bubbling of the primer/paint film on the exterior metal body panels: hood, fender(s), roof, door(s), quarter panel(s), and tailgate/trunk. This warranty extension only applies to factory-applied paint and does not cover collision-related paint repairs or vehicles with a salvaged title.**

Hyundai is extending the warranty coverage for certain white paint colors under these conditions from 3 years and 36,000 miles, to 10 years and unlimited miles from the date of original retail delivery or date of first use, and is valid for original and subsequent owners.

**If your vehicle exhibits a problem related to the condition during the extended warranty period, contact your Hyundai Dealer to have your vehicle inspected. Otherwise, no further action is required at this time.**
