

Service Bulletin

Bulletin No.: 25-NA-088

Date: April, 2025

INFORMATION

Subject: Information on Replacement Cummins Certified Clean Idle Label

Brand:	Model:	Model Year:		Breakpoint:		Engine:	Transmission :
		from	to	from	to		
Chevrolet	6500XD/7500XD Medium Duty (LCF)	2022	2026	—	—	Equipped with 6.7L (RPO LCB)	—

Involved Region or Country	North America
Condition	The purpose of this bulletin is to inform dealership personal that some customers may come in with a need for a new certified clean idle label.
Cause	This may be due to the original label being damaged.
Correction	<p>GM is providing the following information in the event a customer needs to have a Certified Clean Idle Label replaced.</p> <p>Cummins “Certified Clean Idle” labels are printed with a serial number and registered to an individual VIN#. As a result, a replacement label will also include a new serial number which must be registered to the vehicle’s VIN# by the manufacturer (Cummins).</p> <div style="text-align: center;"> </div> <p style="text-align: right;">6882605</p> <p>Replacement CARB Certified Clean Idle Label (1) and EPA Certified Clean Idle Label (2), shown in the picture above, are for the affected vehicles listed in this bulletin and can ONLY be ordered and replaced by Cummins certified service location.</p>

Service Procedure

Important: Service agents must comply with all International, Federal, State, Provincial, and/or Local laws applicable to the activities it performs under this bulletin, including but not limited to handling, deploying, preparing, classifying, packaging, marking, labeling, and shipping dangerous goods. In the event of a conflict between the procedures set forth in this bulletin and the laws that apply to your dealership, you must follow those applicable laws.

To coordinate a Certified Clean Idle Label replacement, please follow the following steps:

1. Contact your local Cummins Sales and Service branch to coordinate a Certified Clean Idle Label replacement. You can use the following link to find your local Cummins certified service location, <https://www.cummins.com/locations>.
2. Provide the following information to the local Cummins certified service location.

6882614

- 2.1. VIN# - VIN plate in the driver side door jamb.

6882608

- 2.2. Engine serial number

Note: Cummins Certified Clean Idle Label replacements can ONLY be replaced by a Cummins certified service location.
