# Technical Journal 37396.1.0

## **SERVICE:**

Submit a TIE report, please add below information:

1. Attach pictures and/or a movie showing the issue.
  - Make sure to take the pictures before the glass is replaced.
  - Mark the defect area with for example a marker pen before taking the picture. If needed, put a piece of paper behind the glass to show the defect better.
  - Take both overview pictures and detailed pictures, to make it clear where the defect is located on the glass.
2. Attach pictures of the production labels/markings. See attachment "TJ\_37396\_1.pdf" for visualization of which markings that are needed depending on which glass that are affected.
  - For the inside of the windscreen it differs from model to model which labels that are attached on the glass, so the pictures in the attachment "TJ\_37396\_1.pdf" are examples.
3. Describe what symptom the report is about, ex. cracks, chipped, distorted.
4. Describe which repair method that was used to solve the issue.

## **Warranty claim info:**

Screens that have not been clearly marked as described in this TJ, will be subject to claim rejection. No warranty claim is accepted for this TJ.

## **LABOR TIME:**

Labor time subject to change without notice.
