

# Service Bulletin

Bulletin No.: PIT6014B

Date: July, 2025

## PRELIMINARY INFORMATION

**Subject: Accessory Switch And Winch Installation Prerequisite**

Brand:	Model:	Model Year:		VIN:		Engine:	Transmission:
		from	to	from	to		
Chevrolet	Colorado	2023 - 2025		All	All	All	All
GMC	Canyon	2023 - 2025		All	All	All	All

<b>Involved Region or Country</b>	North America
<b>Condition</b>	Attempting to install the Accessory Auxiliary Multifunction Switch Package, Accessory Winch Package or Accessory Lighting Packages.
<b>Cause</b>	Installing the Accessory Wiring Junction Block Package is a prerequisite to installing any of these packages.

### Correction

These accessories control or get power from the accessory junction block so the junction block is required before installing either package.

Refer to eSI for installation instructions for the switch or junction block.

Winch information can be obtained at <http://www.comeupwinch.com>.

<b>Version</b>	3
<b>Modified</b>	05/08/2023 - Created on. 06/04/2024 - Added 2024 Model Year. 07/15/2025 - Added 2025 Model Year.
