

SSM 54067 2018-2024 Edge, 2018-2025 Mustang - Sun Visor Lower Level Service Part Now Available

For 2018-2024 Edge and 2018-2025 Mustang vehicles, if diagnostics lead to the sun visor as the causal part, a new lower level part is available (DS7Z-9904132-A). It is not necessary to replace the sun visor assembly if only the clip is damaged.
