## SERVICE BULLETIN

**APPLICABILITY:** 2020-24MY Legacy & Outback  
 2019-23MY Ascent  
 2025 Forester

**NUMBER:** 12-252-23R

**DATE:** 10/19/23

**REVISED:** 07/29/25

**SUBJECT:** Seat Ventilation Blower Unit /  
 Vibration-Type Sound

### INTRODUCTION:

This bulletin announces the availability of new seat ventilation blower units. The units have been redesigned with added rigidity and **now includes a ball bearing instead of a sleeve-style bearing** to address some cases of a vibration-type sound emitting from the blower unit during seat ventilation operation. If this sound is duplicated, replace the associated seat ventilation blower unit with the new part(s).

**CAUTION: VEHICLE SERVICING PERFORMED BY UNTRAINED PERSONS COULD RESULT IN SERIOUS INJURY TO THOSE PERSONS OR TO OTHERS.**

Subaru Service Bulletins are intended for use by professional technicians ONLY. They are written to inform those technicians of conditions that may occur in some vehicles, or to provide information that could assist in the proper servicing of the vehicle. Properly trained technicians have the equipment, tools, safety instructions, and know-how to do the job correctly and safely. If a condition is described, DO NOT assume that this Service Bulletin applies to your vehicle, or that your vehicle will have that condition.

**Subaru of America, Inc. is ISO 14001 Compliant**

ISO 14001 is the international standard for excellence in Environmental Management Systems. Please recycle or dispose of automotive products in a manner that is friendly to our environment and in accordance with all local, state and federal laws and regulations.

## PRODUCTION CHANGE INFORMATION:

The new seat ventilation blower units were incorporated into vehicle production as per the table below.

Model	Starting VIN
LEGACY	4S3BWGP67S3025327
OUTBACK	4S4BTGPD3S3269656
ASCENT	4S4WMAUD3S3427865
FORESTER	JF2SLDTC7SH587686

## PART INFORMATION:

**REMINDER:** Always order the most up-to-date replacement parts based on the specific VIN being repaired.

VIN	Part Description	Part Number
SIA Produced (First 3 VIN Digits: 424)	POWER UNIT BLOWER	64102AN01A
Japan Produced (First 3 VIN Digits: JF2)	POWER UNIT BLOWER	64102AN010

## SERVICE PROCEDURE / INFORMATION:

**REMINDER:** Customer satisfaction and retention starts with performing quality repairs.

The service procedures for the seat ventilation blower units remain unchanged. Always refer to the applicable Service Manual and review the full requirements of the repair being performed. The Service Manual procedures contain information critical to performing an effective repair the first time, every time. This includes but is not limited to important SAFETY precautions, proper inspection criteria, necessary special tools, required processes and related one-time-use parts needed for a complete and lasting repair.

Refer to STIS: Body & Electrical/WIRING SYSTEM > SEATS > Front Seat

## WARRANTY / CLAIM INFORMATION:

Always refer to the Labor Time Guide for the most up-to-date labor description, operation, flat rate time, and fail code information. For vehicles within the Basic New Car Limited Warranty period or covered by an active Subaru Added Security Classic or Gold plan, this repair may be submitted using the following claim information:

Labor Description	Labor Operation #	Labor Time	Fail Code
RH SEAT BACK VENTILATION MOTOR R&R	B870-351	0.7	UVG-25
RH SEAT BOTTOM VENTILATION MOTOR&R	B870-361	0.5	UVI-25
LH SEAT BACK VENTILATION MOTOR R&R	B870-252	0.6	UVH-25

*Continued...*

LH SEAT BOTTOM VENTILATION MOTOR R&R	B870-262	0.4	UVJ-25
--------------------------------------	----------	-----	--------

**IMPORTANT REMINDERS:**

- SOA strongly discourages the printing and/or local storage of service information as previously released information and electronic publications may be updated at any time.
- Always refer to the Labor Time Guide for the most up-to-date labor description, operation, flat rate time, and fail code information.
- Always check for any open recalls or campaigns anytime a vehicle is in for servicing.
- Always refer to STIS for the latest service information before performing any repairs.
