

Technical Bulletin TB254
06.2025

Contents

Item	Subject	Model Affected
TB254. 1	Service Tool Amendment	All 900cc and 1200cc, water cooled, twin cylinder engines

Item: TB254.1

Description: Service Tool Amendment

Model Affected: All 900cc and 1200cc, water cooled, twin cylinder engines

The Triumph 900cc and 1200cc, water cooled, twin cylinder motorcycle Service Manuals from 2016 list service tool T3880308 - Cylinder Barrel Clamps.

Dealers are requested to use service tool T3880413 - Barrel Retaining Spacer instead of service tool T3880308 - Cylinder Barrel Clamps.

Future Triumph 900cc and 1200cc, water cooled, twin cylinder motorcycle Service Manuals will show service tool T3880413 - Barrel Retaining Spacer.
