

## Parking Brake Bracket Bolts

*This instruction refers to other documents that are necessary to do the procedure.*

This instruction is applicable on RH and LH side. The illustrations show the LH side.

### Situation

The bolts for the parking brake bracket may not have sufficient thread locking which may cause noise and/or premature wear on the brake disc.

### Action

Replace the bolts with the new ones with thread locker.

**WARNING**

If the bolts that attach the parking brake are not correctly torqued with threadlocker, the parking brake can get loose and cause an accident.

PARTS	REFERENCE	QUANTITY
M8x30 MC6S 8.8 insexskruv	130-144-1830	4
Nord lock washer M12 rf	130-198-5013	4

TOOLS	SPECIFICATION	QUANTITY
General mechanical tools	–	–

CONSUMABLES	REFERENCE	QUANTITY
Loctite 243	130-174-0552	–

### Prepare

1. Open the rear hood with the key fob or from the center console.
2. Disconnect the 12 V system, refer to [WOM-00007](#).
3. Disconnect the HV system, refer to [WOM-00021](#).
4. Lift and put the vehicle on jack stands, refer to [WOM-00031](#).
5. Remove the rear wheels, refer to [WOM-00022](#).
6. Remove the rear brake caliper but do not disconnect the brake hose, refer to [WOM-00191](#).

**Note**

Make sure that you put a support for the brake caliper. Do not let it hang by the connected hose.

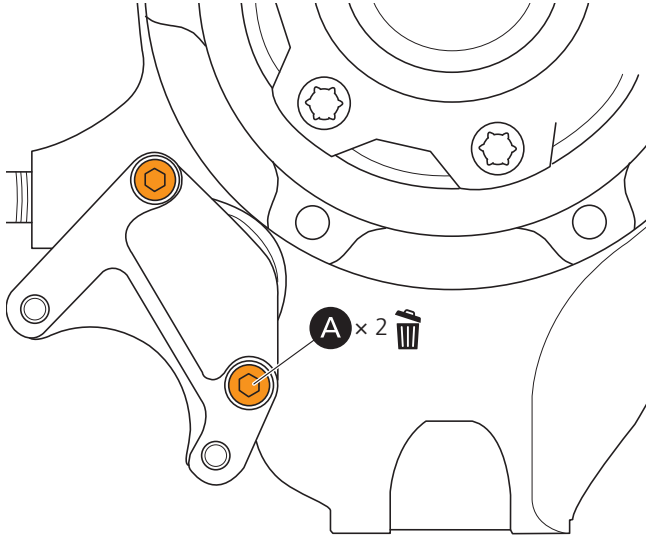

7. Remove the rear brake pads, refer to [WOM-00190](#).
8. Remove the parking brakes, refer to [WOM-00248](#).
9. Remove the rear brake discs, refer to [WOM-00249](#).

### Remove

1. Do a check if there are no marks on the parking brake bracket.
  - 1.1 If you find that there are marks, submit a KATS ticket to contact Koenigsegg.
  - 1.2 If you find that there are no marks, continue to the next step.
2. Remove the 2x H6 bolts **A** that attach the parking brake bracket.

3. Discard the 2x H6 bolts.

### Install

1. Install the parking brake bracket with the new 2x H6 bolts.

Part: 130-144-1830  
Threadlocker: Loctite 243  
Torque: 25 Nm
2. Install in the reverse order.

### Warranty Information

If the repair is covered by the warranty terms, refer to Koenigsegg Warranty Process.
