

Parts Hold on UFU Filter

Communication Type: News

Date: 8/18/2025

DTNA PARTS QUALITY ALERT – STOCK HOLD NEEDED

Part Number: **UFU R61709**

Description: **FUEL FILTER KIT**

Quality Problem: filters were produced with **O-Ring for “bowl” that is TOO large**

Action needed:

1. Hold all stock on **UFU R61709 until further notice.**
2. For short term coverage on truck downs consider purchasing **FG FS20176 or DN P552709.**

DTNA is working with our supplier to determine an action plan and will share more in the coming days.
See PDF for image.
