| <b>Notice to California Dealers:</b> As required by 13 CCR 2117, a proof of correction (“POC”) certificate showing that the vehicle has been repaired under this campaign must be issued by the authorized service facility, and that such a certificate may be required by California as a condition of vehicle registration or operation. Please reference this POC in the attached work instructions. Failure to complete this step may result in fines and penalties and lead to customer dissatisfaction. |                                                                                                                                                                                                                                             |                 |                                  |
