Condition	Some dealerships or customers my comment that the Near Field Communication (NFC) Key Cards are missing / not shipped with their 2026 Escalade.
Cause	NONE. Key cards have not been released for the 2026 Escalades.

Correction

No Key Cards are being shipped with the 2026 Escalades with RPO BOY, and this was intended and not an oversight.

These vehicles are built with all hardware to support Key Card functionality including diagnostics.

Dealers should not attempt to learn Key Cards that were intended for other programs.
