

WNH2 Workshop Campaign - Re-programming DME control unit

WNH2 Workshop Campaign - Re-programming DME control unit

ID Number	WNH2
Models	718 Cayman / Boxster (982)
Model Year	2017 - 2019
VIN List	Attached
Number of Affected VINs	16,580
Issue Description	Due to a software error in the DME control unit for the affected vehicles, the market-specific requirements of the OBD functions at extreme altitudes of more than 2,500m above sea level are not completely fulfilled. For this reason, the DME control unit on the affected vehicles must be re-programmed with an updated data record.
What should Porsche Centers do?	Please arrange for this measure to be carried out as soon as possible on affected vehicles. As of the time of this posting (08/22/2025), the repair is immediately available.
California PCs only	The Department of Motor Vehicles (DMV) in California may require that the customer furnish proof of completion of this Workshop Campaign in the form of a copy of the dealer's repair order, including a signed "Proof of Correction" certificate, before the next renewal of the vehicle registration. You must supply this documentation to the customer only after the campaign has been completed. Please instruct the customer to retain the signed "Proof of Correction Certificate" within their vehicle records.
Part Status	Status 0 - No parts needed
TI Number	No. 166-23

Required software

PIWIS Tester 4 test software release

42.250.050 (or higher)

If other programming campaigns that affect the same control unit and involve an identical procedure are open for a vehicle in addition to this campaign, the affected control unit need only be programmed once using the current PIWIS Tester test software.

Please proceed as follows for the campaigns that have not been carried out:

- Mark the campaign as 'cannot be carried out' with the reason "Modification of the affected component" in PQIS. The "Warranty relevance" flag must be activated in order to be able to set a warranty claim and close the campaign.
- A warranty claim must be submitted for the campaign in which 0 time units is entered as the specified labor time and no material items are specified.

Warranty processing

Validity:

This workshop campaign will be carried out up to 01.11.2028 and will be closed by the specified date.

Please note that warranty claims can only be processed up to this date.

Scope 1:

Damage Code	WNIH2 66 000
Repair Code	1
Labor time	39 TU

Please enter the performed campaign in the Warranty and Maintenance booklet for the vehicle.
