

IMPORTANT SAFETY RECALL

This notice applies to your vehicle. Refer to the provided list.

NHTSA Safety, FMVSS Compliance, or Emissions Recall

Dear Altec Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act and the Canada Motor Vehicle Safety Act.

Altec Industries, Inc. has received notification from an Original Equipment Manufacturer (OEM) that a condition exists relating to motor vehicle safety, compliance, or emissions in a vehicle you possess that is equipped with Altec equipment.

Refer to the attached documentation that follows this letter. If you have additional questions, please contact your Altec Account Manager. You may also contact the OEM using the contact information provided in the attached recall notice.

For US owners: after contacting the OEM according to the attached notice, if you are still not able to have the safety condition remedied within a reasonable time, you may write to: Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE, Washington, DC 20590 or call 1-888-327-4236 (TTY: 1-800-424-9153) or go to <http://www.safercar.gov>.

If you had this repair performed before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall.

If you have sold or retired the unit, update the records through Altec Connect. If you have leased this equipment to another person or company, you are required by Federal Law to forward a copy of this notice to the lessee by first class mail within ten (10) days of the receipt of this notice.

We appreciate your assistance in following this action in the interest of your continued satisfaction with Altec products.

Thank you for your immediate attention on this important matter.

COMPONENT/SUPPLIER RECALL CSR-3248-A

Exterior Lighting Not Compliant with FMVSS 108 (25PACF — NHTSA 25V436)

Units Affected: Certain PACCAR vehicles (Kenworth and Peterbilt) as described in the attached notices. Verify your unit is affected by reviewing the attached list or accessing Altec Connect.

Background: Altec is committed to providing our customers reliable products from initial delivery throughout the useful life of the machine.

PACCAR has decided a defect which relates to motor vehicle safety exists in your vehicle with the VIN shown in the attached list. Both Kenworth and Peterbilt vehicles are affected. Altec has included both notices with this mailing. Please review that one that relates to your vehicle.

Refer to the included communication from Kenworth and Peterbilt for more information.

Customer Action: Follow the guidance in the included communication from Kenworth and Peterbilt.

Requirements: Altec is not able to perform this repair.

Completion and Warranty: This repair is not covered under the Altec Warranty Policy.

IMPORTANT SAFETY RECALL

This notice applies to your vehicle: VIN: [REDACTED]

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Subject: 25PACF: EMUX Exterior Lighting Not Compliant With FMVSS 108
NHTSA Recall number: 25V436
Expiration Date: None

Dear Kenworth Customer,

Kenworth Truck Company has decided that certain Vehicle Model Year 2023-2026 models L770 / T180 / T280 / T380 / T480 / T680 / T880 / W990 vehicles manufactured between 05/24/2022 and 05/23/2025 equipped with Ethernet Multiplexed Architecture (EMUX) and Vehicle Electronic Control Unit (VECU) part number Q21-1157 fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No.108, "Lamps, reflective devices, and associated equipment". Delayed or unsteady illumination of the vehicle's stop lamps, reverse lamps, turn signal lamps, and inadvertent change in headlamp illumination or lift axle position may occur due to the VECU software configuration. This can occur without warning and may increase the risk of a crash. In addition, an unexpected position change of the lift axles may increase the risk of injury.

Kenworth has initiated a recall to remedy the defect. Please contact your nearest Kenworth dealer by visiting the Dealer Locator at www.Kenworth.com or by scanning the QR code above. When contacting your Kenworth dealer, please refer to 25PACF and VIN(s) listed in this letter. This repair may take up to 1 hour of labor, depending on vehicle configuration and dealer scheduling. This repair will be performed at no charge to you.

The problem is...	Delayed or unsteady illumination of the vehicle's stop lamps, reverse lamps, turn signal lamps and inadvertent change in headlamp illumination or lift axle position.
What your dealer will do...	Your Kenworth dealer will update your vehicle's software and replace parts as necessary.
What you must do ...	Contact your Kenworth Dealer to schedule an appointment for repair.

If you require further information about this recall or experience any difficulty in making arrangements for this repair, please contact Kenworth Customer Service, provide your name, your dealer's city and state, your phone number, your email address (optional), the last 8 digits of your VIN, the bulletin number, and your question using one of the following:

Email: Kenworth.Campaigns@paccar.com with the bulletin number in the subject line
or

Mail: Kenworth Truck Company, P.O. Box 1000, Kirkland, WA 98083-1000, Attn: Customer Service Department
or

Phone: 425-828-5888

You may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, DC 20590, or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>, if you believe that the manufacturer or dealer failed or was unable to remedy the defect without charge within a reasonable time following the earliest date upon which replacement parts become available.

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days. If you no longer own this vehicle, please email the last 8 digits of the VIN and the new owner's name and address to Kenworth.Campaigns@paccar.com so we can update our records.

We regret any inconvenience that this work may cause you and appreciate your cooperation in this matter.

Thank you,

Kenworth Customer Service

IMPORTANT SAFETY RECALL

August 19, 2025

This notice applies to your vehicle. Your VIN(s) can be found on the bottom or back of this page.

Subject: 25PACF: EMUX Exterior Lighting Not Compliant With FMVSS 108
NHTSA: 25V436
EXPIRATION DATE: NONE

Dear Peterbilt Customer,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Peterbilt Motors Company has decided that certain Vehicle Model Year 2023-2026 models 520 / 535 / 536 / 537 / 548 / 567 / 579 / 589 vehicles manufactured between 05/27/2022 and 05/23/2025 equipped with Ethernet Multiplexed Architecture (EMUX) and Vehicle Electronic Control Unit (VECU) part number Q21-1157 fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No.108, "Lamps, reflective devices, and associated equipment." Delayed or unsteady illumination of the vehicle's stop lamps, reverse lamps, turn signal lamps, and inadvertent change in headlamp illumination or lift axle position may occur due to the VECU software configuration. This can occur without warning and may increase the risk of a crash. In addition, an unexpected position change of the lift axles may increase the risk of injury.

What is the problem?	Delayed or unsteady illumination of the vehicle's stop lamps, reverse lamps, turn signal lamps and inadvertent change in headlamp illumination or lift axle position.
What will your dealer do?	Your Peterbilt dealer will update your vehicle's software and replace parts as necessary.
What should you do?	Contact your Peterbilt Dealer immediately to schedule an appointment for repair.

Peterbilt has initiated this recall to remedy the issue at no charge to you. Please contact your Peterbilt dealer to schedule an appointment for these services. To find your Peterbilt dealer, please visit the "Find a Dealer" link at www.Peterbilt.com or scan the QR code. When contacting your Peterbilt dealer, reference the Safety Recall number, NHTSA Recall Number, and VIN(s) listed in this letter. This repair may take up to **1 hour** of labor depending on dealer scheduling.

If you had this repair performed before receiving this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall. Receipts for parts and/or labor are required for consideration of reimbursement. Contact your local Peterbilt dealership for details.

If you require further information about this recall or experience any difficulty in making arrangements for this repair, please contact the Peterbilt Customer Experience Department at PB.Tech.Pubs.Dept@paccar.com.

If you conclude that Peterbilt has not enabled you to remedy this defect in a reasonable time and without charge, you may submit a complaint to: Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, DC 20590, or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days. If you no longer own this vehicle, we would appreciate your advising us about the new owner. Please send all known ownership and address changes to PBDiv.Warranty.Docs@paccar.com.

We apologize for any inconvenience this procedure may cause and thank you for your participation in helping Peterbilt provide the highest levels of customer satisfaction and service expertise. We value your business and appreciate your ongoing loyalty to Peterbilt and its dealer network. Industry-leading quality, performance and reliability are hallmarks of Peterbilt products, and we thank you for making Peterbilt your truck of choice.

Sincerely,
Peterbilt Customer Experience
