

Can-Am 2020-2024 Spyder seat and top case shock retrofit - 144649

Summary:

There is complaints that the seat and top case shocks are too weak

Type:

General

TST Detail:**Problem:**

There is complaints that the seat and top case shocks are too weak

A new seat and top case shock absorber we're introduced for MY2025, however claims keep coming in and the wrong replacement part is used

Solution:

Seat Shock: Install retrofit kit 219800622 (going from 80 nm to 120 nm)

Top Case Shock: Retrofit the shock absorber with P/N 708305055 (going from 170 nm to 250 nm)

Inspection Procedure:

If the seat or top case cannot hold their own weight or a fluid leak is observed the part can be replaced

Warranty:

Regular warranty applies only for the shock replacement
