

UFI O-Ring Announcement

Communication Type: News

Date: 9/2/2025

UPDATE TO DTNA PARTS QUALITY ALERT – O-RINGS SHIPPING TO DEALERS on UFU R61709

Date: 9/2/25

Part Number: **UFU R61709**

Description: **FUEL FILTER KIT**

For your receiving department!

Keep an eye out for these boxes in the next few days (see attached PDF)! Inside the box is also a green sheet of paper like this with the O-Rings.

Action Needed:

1. Open box for UFU R61709 filter
2. Remove loose O-Ring and replace with new
3. Reseal box
4. Use marker (sharpie) to mark "OK" on box next to part number
