

PARTS ALERT ABS HARNESSSES

Communication Type: News

Date: 9/12/2025

Date: 9/12/2025

Subject: Parts Alert ABS Harnesses

Please be advised that any of the ABS Harnesses (-300) on the attached list that shipped from the PDC network within the past 24-48 hours as of 9/12/25 have a QA issue and are not viable for service. Expected ETA for QA fix on these harnesses is end of September.

Action: Please submit a PAR to return any stock received on these harnesses.
