

PARTS MEMORANDUM-

Parts Logistics

Attention: Parts / Service Manager
September 4th, 2025

Subject: 57J9 Parts Ordering update

Please see the information below regarding the 57J9 ID.4 Handle campaign.

Effective 09/05/2024, VWGoA will be removing the allocation-based ordering on the following part numbers:

- 11K-867-919-E
- 11K-867-920-E
- 11K-867-920-D
- 11K-867-919-D

A campaign kit part number was created in Parts on Command (POC) for ordering.

The kit part number is **CAM57J901**. When ordering this part number in POC the system will automatically add all 4 of the campaign part numbers to your sales order. The kit part number was created to help orders be placed in sets to avoid inventory imbalance.

Additional information on how to add a campaign kit to your order can be found below:

VOLKSWAGEN
GROUP OF AMERICA

Parts On Command: Campaign Repair Kit

- Campaign Repair Kit functionality is now an option to aid in easy ordering
- The Campaign Repair Kit number consists of:
 - Three character prefix of "CAM"
 - Four-digit Campaign code
 - Two-digit criteria code
 - Ex. CAM57J901
- Campaign Repair Kits will be searchable within POC
- On the Campaign Parts List, if a Repair Kit is available, the Repair Kit Number will show above associated part numbers.
- Clicking on the kit number will open a new tab to the Repair Kit Part Information Screen
- Dealer Price shows the price of the entire kit
- Campaign specific data and parts/quantities are shown under Product Description
