Revision Table

Instance Number	Published Date	Version Number	Reason For Update
2071350/2	09/4/2025	91-23-02TT	Updated to include model year 2025 & 2026.
2071350/1	08/23/2023	91-23-02TT	Original publication.

Technical Background

On model years 2024, 2025 and 2026 Atlas vehicles equipped with Overhead View Camera (PR code KA6), after turning off “transport” mode, a vehicle CAN bus sleep for 5 minutes must take place to put the vehicle camera system in a consumer-deliverable state. The CAN bus sleep takes place when the vehicle’s doors are locked, and the vehicle sits uninterrupted for 5 minutes. Immediately following the CAN bus sleep, the camera systems will function normally, and the vehicle can be delivered to consumers.

Production Solution

Not applicable.

Service

Information only. No repair is required.
