This notice applies to your 2025 Hyundai [Model] vehicle, VIN: XXXXXXXXXXXXXXXXXXXX

Dear <FirstName LastName,>

Hyundai is conducting a service campaign to inspect and, if necessary, repair the right front subframe mounting stud in **certain 2025 model year Santa Fe and 2025 model year Santa Fe Hybrid vehicles**. Our records indicate that your vehicle, with the VIN listed above, is affected by this service campaign.

What is the problem?

Hyundai has become aware that some vehicles may exhibit a “pop,” “tick,” or “creak” noise from the right front subframe area while driving. The noise may be caused by a missing weld on the right front subframe mounting stud.

What will Hyundai do?

Hyundai will inspect and, if necessary, repair the missing weld on the mounting stud to eliminate the noise. This procedure will be performed at **NO CHARGE** to you.

What should you do?

Please contact your nearest Hyundai dealer to schedule the Service Campaign.

The actual time required to perform this procedure on your vehicle will take approximately 2.5 hours, however, your vehicle may be needed longer. To schedule an appointment with your preferred Hyundai dealer, please call **1-855-371-9460** or visit:

1. Visit www.hyundaiusa.com/campaignhome
2. Enter your 17-digit Vehicle Identification Number (“VIN”) from the top of this letter and click the “Search” button.
3. Click “Schedule Appointment,” enter your zip code in the Dealership Locator tool, click the “Find a Dealer” button, and follow the onscreen prompts to schedule your service appointment.

Additional information

If you have any questions or require further assistance, you may contact the Hyundai Customer Care Center at **1-855-371-9460**. To better assist you during your call, please use the last 8 characters of your VIN (the **bold** characters in the VIN at the top of this letter).

Thank you for your attention to this important service procedure. We encourage you to take action promptly and sincerely apologize for any inconvenience this may have caused.
