Description: Hot Climate Packs for the Tiger 900 range

Model Affected: Tiger 900 Rally Pro, Tiger 900 GT, Tiger 900 GT Pro

We would like to inform dealers that we now offer a Hot Climate Pack for the Tiger 900 range. These packs are for customers who wish to reduce the amount of heat transferred from the motorcycle onto the rider.

Each pack contains:

- Two radiator cowls
- Two radiator cowl infills
- Two vents
- Four plastic rivets

These packs are fitted as instructed in the service manual.

Hot Climate Packs are available for the following models.
