

Hyundai Motor America (HMA) has re-launched the Service Campaign TEJ for the TCU Software Update for 8DCT High Pressure Electric Oil Pump!

This is a follow-up to a previous launch of Service Campaign TEJ.

Updates include the following:

- A new GDS Event #1328 for certain ECU part numbers ending in '820'/'830'
- Related ROM ID & Manual Mode Password Information.

Key Notes:

- **Vehicles Impacted:** Certain 2024-2025MY Santa Fe (MX5A) vehicles produced from 12/28/2023 – 07/07/2025

- **VIN Identification:** Use the 'Vehicle Information' screen in WebDCS under the 'Campaign Not Performed' section to determine campaign applicability.

- **Technical Service Bulletin (TSB) 25-01-072H-1** for the TCU software update has been reposted under [Hyundaidealer.com](https://www.hyundaidealer.com) > Service Tab > Hyundai Tech Info > Campaign

We appreciate your continued partnership and commitment to our Hyundai customers.

Thank you for your patience and understanding.
