

Service Campaigns TDFB– Temporarily Suspended, Effective 10/29/25 (3:00PM)

Hyundai Motor America is currently investigating an ongoing issue with software GDS event #1297. The matter is being investigated to ensure the software can be directed to the impacted VIN population.

We will provide an update once the issue is resolved and the suspension is lifted.

Hyundai appreciates your cooperation and support. Questions may be directed to the Warranty HELP line at 1-877-446-2922.
