Background

American Honda Motor Co., Inc. (AHM) is searching for certain 2017-2019 Ridgelines with a customer complaint of the rearview camera inoperable. To better understand the cause of this condition, AHM would like to inspect the vehicle prior to you attempting a repair of any kind.

AHM is interested ONLY if the vehicle meets the following requirements:

1. Rearview camera issues can be intermittent.
2. Previous replacement or disassembly of the tailgate harness (32109) is acceptable.
3. No repair attempts during this visit.

Action Required

If a vehicle matching the qualifiers above comes into your dealership, please e-mail Technical Information & Support (TIS) at tis@ahm.honda.com, or call us at 800-880-1072 (Monday-Friday, 7am-5pm PST). TIS will contact you to record certain vehicle information and provide you with further instructions.
