

SERVICE BULLETIN

STOP SALE NOTICE

MODELS:

- All 2018 – 2021 MY L-Series Conventional Trucks equipped with an Automatic Transmission (Manual Transmission trucks are excluded).
- All 2018 – 2020 MY COE Trucks, Diesel and Hybrid

BULLETIN No.: SB-25-002

ISSUE DATE: October 27, 2025

Hino Trucks has received approval to perform, and must now execute, an emissions recall under the terms of a Consent Decree with the Federal Government and the State of California.

In order to ensure compliance with that agreement and timely completion of the recall, Hino dealers shall not sell, resell, re-lease, import or export any vehicle model identified above, unless it has received the applicable Emissions Modification (recall).

This requirement applies from the date of this notice until which time the recall is completed for an eligible vehicle. Not adhering to this Consent Decree requirement could result in significant fines to Hino Trucks and/or the Hino dealer.

Distribution: Dealer Principals, General Managers, Sales Managers, Service Managers, Warranty Managers, Parts Managers, Service Technicians, Service Advisors
