AUDI DEALER COMMUNICATION

Revision – Service Action 91MM / Infotainment System Software

This notice is for: All Dealer Personnel

Date: October 15, 2025

Revision Information: The following updates have been made to the work instructions:

- Provided clarification on what to do if the green emergency call LED is not illuminated prior to performing the software update.
- Added reference to a TSB in the event issues arise with the emergency call system after the software update has been completed.

Please take the time to ensure everyone in your dealership with campaign-related responsibilities has thoroughly reviewed the revised circular that is visible in ELSA and Service References in Elsa2Go.

Please discard any paper copies you may have printed and ensure they are replaced with the most current version.

-END OF MESSAGE-

Ensure all dealer personnel are aware of this notice so they are able to address customer questions. Contact Warranty if you require additional assistance. Direct press inquiries to Audi Public Relations.
