

Mitsubishi Motors North America, Inc. PARTS BULLETIN

SUBJECT:

Inventory Replacement: CLIP SET, FR BRAKE (Revision 1)

No: PB-DG-25-003

Date: November 17, 2025

Model: See Below

PURPOSE:

This Parts Bulletin is to provide return guidance following the revision of Technical Service Bulletin TSB-24-35-001 Version 3, related to part number 41097W020P.

BACKGROUND:

A part supersession has been created to switch from 41097W020P to 41097W030P to address customer noise complaints. Part number 41097W020P should no longer be used and all inventory should be returned to your facing PDC. Please place stock orders as needed for new part number 41097W030P.

AFFECTED VEHICLES:

2022 - 2024 Outlander vehicles
2023 - 2024 Outlander PHEV vehicles

RETURN INFORMATION:

For the 41097W020P part number, please submit an RMA through your MDL Return Entry screen using return type **"A-Corporate Initiated Return"**. These returns will be accepted without a restocking fee. The corporate-initiated returns will be subject to review and approval. Only 41097W020P is eligible. Any other parts returned using return type A will be cancelled. **Return must be completed by 12/31/2025.**

The screenshot shows the Mitsubishi Dealer Link Parts System interface. The top navigation bar includes the Mitsubishi Motors logo, 'MITSUBISHI DEALER LINK', and 'Parts System'. Below this, there are tabs for 'Parts on Demand', 'e-reports', 'DMS interface', and 'MITRE'. The main content area is titled 'Return Entry' and contains several input fields: 'Dealer/Customer Number', 'Cancel/Error Reason', 'Dealer Backorder Ind', 'Return Type' (with a dropdown menu), 'Allowance Amount', 'Total Allowed', 'Reference Number', 'Return Status', and 'Obsolence Rtn Months'. The 'Return Type' dropdown menu is open, showing options: '2-Shortage', '3-Overage-Keep', '5-Damage', '6-Defective', '8-Overage-Return', and 'A-Corporate Initiated Return'. Below the form is a table with columns for 'Part Number', 'Return Qty', 'Received Qty', and 'Part Description'. The table is currently empty.
