Involved Region or Country	North America
Condition	Some customers may comment that they see a "Heavy Fuel Use" message in the DIC at times while driving.
Cause	This message comes on when the fuel range is low and the vehicle is consuming more fuel due to aggressive driving or towing. This message can also be displayed if the fuel range is low and the vehicle is idling.

6720409

Correction

This message is normal and indicates that fuel range will be decreased due to current driving / idling habits.

Version	3
Modified	08/22/2024 - Created on. 02/03/2025 - Updated Models and Model Year 12/04/2025 - Updated Model Years and added info about message being displayed when fuel range is low and vehicle idling.
