# Grecale / GranTurismo / GranCabrio –Transfer Case Flange Kit

DATE: December 19, 2025

This bulletin provides updated information regarding the serviceability of the transfer case flange kit for Grecale, GranTurismo, and GranCabrio.

## Condition Description

If an oil leak is identified at the transfer case front flange, prior service guidance required replacement of the complete transfer case assembly.

The front flange kit is now available as an individual service sub-component, allowing the flange to be replaced without removing or replacing the entire transfer case assembly.

## Affected Models

- (M182) Grecale (All MY)
- (M189) GranTurismo / (M190) GranCabrio (All MY)

## Available Components

The following spare part is now available:

- P/N #673017508: TRANSFER CASE FLANGE KIT (component #24 in Section 03.22-2 of the Spare Parts Catalog).

 Note: Always refer to the latest Technical Documentation to confirm correct part application.

## Workshop Procedure

The replacement procedure is published in the Technical Documentation:

- #3.22.037: FRONT FLANGE OIL SEAL – AWD TRANSFER CASE (Replacement).

**Special Tools:** Not required.

For any further clarification, please do not hesitate to contact us.

Best regards,
