Action

Campaign

Service all chassis affected that enter your dealership, even if the customer has no issue with the chassis.

1. Review the attached chassis list for your dealer code and schedule your customer(s) for service if their chassis is on the list.
2. In Service Management, select campaign **43-076** to add it to the case. If the unit is released back into service without performing the repair, make sure to also release the campaign in Service Management.
3. If you are not using Service Management to start repair orders, review SIR for Complete next to the **43-076** campaign code prior to performing this repair.
4. Follow the procedures in the Links section to replace the GHG Label.

Warranty

Starting on **12/30/2025** and for repairs completed by **01/01/2027**, Kenworth will pay for parts at dealer net plus applicable mark-up and labor:

- **0.3 hours** of labor to replace the current GHG Label with an updated GHG Label (includes photos).
