

# TECHNICAL SERVICE INFORMATION BULLETIN

TSIB 25-09		December 29, 2025
<b>TO:</b>	MCI Operators	
<b>TITLE:</b>	REI Monitor Mounting Bracket Breakaway Tabs	
<b>APPLICABILITY:</b>	MCI coaches equipped with REI Monitors	

During your daily pre-trip inspection, be sure to check the REI Monitor's mounting bracket for any looseness. Gently tap the monitor to ensure it remains stable. If it moves, this indicates that the breakaway tab on the monitor may be loose or damaged and will need to be replaced.

Refer to your MCI parts manual to ensure you order the correct mounting bracket specified for your coach.
