Volvo Chassis - Grille Spacers Loosening Over Time

Published 5 January 2026

Valid For

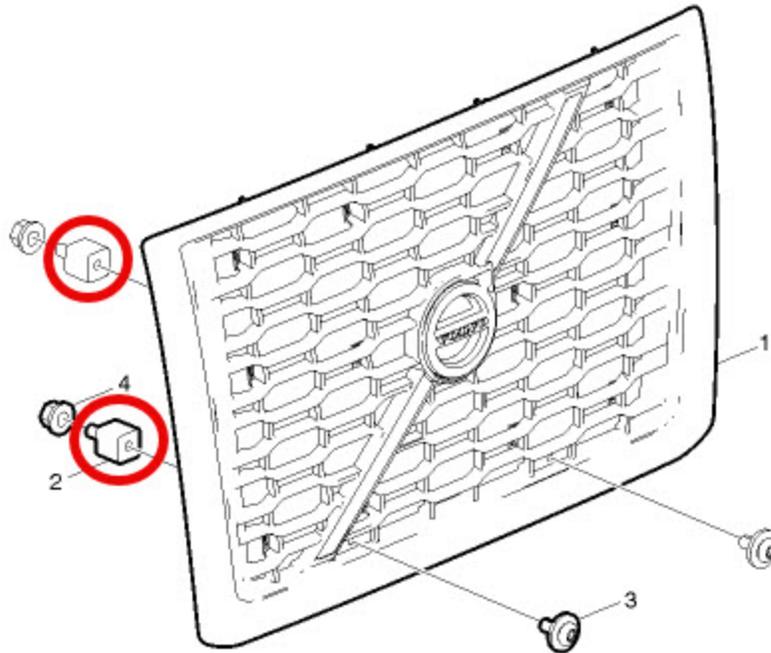

Volvo Chassis - VN

Model Year - 2018 to Current

The purpose of this CBR is to address reports of grille spacers falling out and causing radar issues and damaging hoods.

Procedure

When you have a report of missing grill spacers on 2018 to current VN grills, please order P/N 4403K71 from McMaster-Carr to solve this issue.

Part Number	Description	QTY	Supplier
4403K71	Spacer	2	McMaster-Carr
