

# Elemental Chassis Fairing Replacement

**Release:** 1

**Technician Skill Level:** B

**Revision Note:** 01/2026 Initial Release

**Market:** North America

**Service Category:** Service Department

**Applicability:** Please refer to VDA+

**Section:** Function Group 891

## Description:

Certain Volvo VN(4) trucks may experience chassis fairing cracks.

## Concern:

The current fairings installed on the truck may experience cracking.

## Action:

Follow the instructions below to remove and replace front chassis fairings on the driver's and passenger's side of the truck. Return the old fairings back to T-MAC for inspection.

## Warranty Information

Dealer is allowed 30% mark up on the fenders, when submitting the claim, materials and 30% markup should be entered in other cost.
