PAB004 Saf-T-Liner HDX2 Fuel Water Separator Updates

Hello Dealer Network,

Effective immediately, Saf-T-Liner HDX2 orders will require a fuel water separator selection equipped with prime functionality. The updated rules are now active in RACE. The TBB Sales Operations Team is updating all impacted quotes in the backlog with start dates of 3/30/26 or later to the appropriate required content. New uncommitted HDX2 quotes should be updated in RACE before being committed to order. See the table below for additional details.
