Software Update 11 - Center Touch Screen

Accessory Protocol Interface Module

"Modem activation and available Premium Connectivity are required to use Stingray Karaoke app. For more details go to the Connected Services tile in the FordPass app. The Stingray Karaoke app may not appear immediately after installation. It can take 1–2 ignition cycles for the app icon to appear in the Apps drawer.

SYNC-25.2.4.9

"This software update contains the following key changes:

- Make memories on your next road trip or tailgating event with the Stingray Karaoke app. While parked, the lyrics will be displayed on the center touch screen. As you drive, passengers can scan the QR Code from the center touch screen and sing along by viewing the lyrics on their phone. The app is available in the Apps drawer.
- SiriusXM logos are updated on your center touch screen."
