Title	Text	Short Text	Pop-Up
Service Action: Left Side EMF (Parking Brake Actuator)	<p>The brake force of the electromechanical parking brake is generated by EMF actuators on the brake calipers. The electric motor of the EMF actuator has been manufactured incorrectly and may fail. In the event of a fault, warning lights and Check Control messages will be shown on the Central Display. In that case, please follow the appropriate instructions. The vehicle is still held by the unaffected side and the transmission lock.</p> <p>Contact an authorized MINI dealer at your earliest convenience to get your vehicle repaired for FREE. Dealer locator: miniusa.com/dealer.</p>	Service Action: Left Side EMF (Parking Brake Actuator). Contact an authorized MINI dealer at your earliest convenience to get your vehicle repaired for FREE.
