

# WSF3 Workshop campaign - Supplying driver's manual supplement

---

## WSF3 Workshop campaign - Supplying driver's manual supplement

ID Number	WSF3
Model(s)	911 (992) Panamera (YAA)
Model Year(s)	2024 - 2025
Number of Affected Vehicles	5,505
VIN List	Attached below
Issue Description	<p>The affected vehicles were delivered with a Driver's Manual that does not contain the legally required market-specific content on the "Event Data Recorder (EDR)".</p> <p>In order to bring the vehicles in accordance with the market-specific specifications, the customer must be subsequently provided with an attachment to the Driver's Manual, which contains the missing content for the Event Data Recorder (EDR).</p>
What Should Porsche Centers do?	<p>On vehicles where the campaign is open, please arrange for the Owner's Manual Supplement to be ordered and supplied to customers during the next workshop visit.</p> <p>Please note that owners with a valid mailing address have already been sent this supplement with the attached letter via mail and the campaign was then closed. There are only a small number of vehicles where the campaign is still open, which corresponds to customers that PCNA was unable to reach by mail. For these vehicles, the supplement WKD95104B2125 can be ordered via PPL for \$0.01 and the campaign closed.</p>

**As of the time of this posting (1/9/26), the remedy is immediately available.**

Parts Status

Status 1 - Order as needed

Customer Notification

Attached below.

TI

There is no TI for this campaign, as the only action is to supply the customer with the supplement if the campaign is open in PCSS.
