

# WRF1 Workshop Campaign – Supplying Driver's manual supplement

---

## Update 1/26/26 - Information on Park Position Hook

Please be advised that for vehicles affected by WRF1, the parking position hook already available for 911 GT3 (992.2) can be used in such a way that partial removal of the 3-point belt is no longer required when using a 6-point belt.

The parking position hook is now available as a spare part via the Porsche Parts Catalogue (PET) and can be purchased by the affected customers. The current part # is 9GT857839.

### Please note:

At this time, the parking position hook **is not yet approved** for the following vehicles:

- 911 GT2 RS (991)
- 911 GT3 (991)
- 911 GT3 RS (991)
- 718 Cayman GT4 (981)

The parking position hook cannot be approved for the following vehicles **due to technical specifications**:

- 911 GT2 RS (997)
- 911 GT3 (997)
- 911 GT2 RS (997)
- 918 Spyder (918)

The hook (set) contains the following components:

- Parking position hook
- Spacer sleeve for hook
- Driver's manual for 6-point belt

## WRF1 Workshop Campaign - Supplying Driver's manual supplement

ID Number	WRF1
Model(s)	911 (992, 991, 997) 718 Cayman (982, 981)

	918 Spyder (918)
Model Year(s)	2007 - 2025
Equipment	Club/Rally sport package (M-No. 6A2, 6A5, 6A8, 6A9, 003)
Number of Affected Vehicles	302
VIN List	Attached Below
Issue Description	<p>If a 6-point belt is used on the race track in conjunction with the Porsche sports bucket seat, the unfastened 3-point belt can prevent the side airbag from unfolding in the event of an accident.</p> <p>In the separate Driver's Manual for the optional 6-point belt, a reference is therefore made to remove the 3-point belt in this case.</p>
What should Porsche Centers do?	<p>On vehicles where the campaign is open, please arrange for the Owner's Manual Supplement to be ordered and supplied to customers during the next workshop visit.</p> <p>Please note that owners with a valid mailing address have already been sent this supplement with the attached letter via mail and the campaign was then closed. There are only a small number of vehicles where the campaign is still open, which corresponds to customers that PCNA was unable to reach by mail. For these vehicles, the supplement WKD95100B2125 can be ordered via PPL for \$0.01 and the campaign closed.</p> <p><b>As of the time of this posting (1/9/26), the remedy is immediately available.</b></p>
Parts Status	Status 1 - Order as needed
Customer Letter	Attached below.
TI	There is no TI for this campaign, as the only action is to supply the customer with the supplement if the campaign is open in PCSS.
