Chassis Advisory Notice 26-004
IMPORTANT FORD CHASSIS RECALL INFORMATION
Ford Safety Recall 26C01 / 26V025

Name
Address
City, St. Zip

Dear Valued Dealer,

This notice is sent to your dealership to advise that Ford Motor Company is recalling certain 2025 Model Year F-53 Recreational Motorhome Stripped Chassis and F-59 Commercial Stripped Chassis vehicles, each built on a chassis supplied by Ford, including the VIN shown below, fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) 108 - Lamps, reflective devices, and associated equipment.

The stop lamp switch that controls your vehicle's brake lights may have been installed incorrectly, which could lead to potential damage to the switch. A damaged stop lamp switch may cause exterior brake lamps not to illuminate when the brake pedal is pressed, or to illuminate without the brake pedal being pressed. Additionally, features such as cruise control and trailer-tow may not operate correctly. A damaged switch could also make it possible to shift out of Park without pressing the brake pedal. Brake lamps that do not function correctly increase the risk of a crash. The vehicle also may shift out of Park without pressing the brake pedal, which can cause the vehicle to roll unexpectedly, increasing the risk of a crash or injury.

Parts are now available to repair your vehicle. Ford Motor Company has authorized your Ford dealer to replace the stop lamp switch free of charge.

Our records show the following unit is affected by this recall and is part of the current inventory at your dealership. Please call your Ford dealer without delay and request a service date for Recall 26C01. Provide the Ford dealer with your VIN, which is printed below in this letter. Please contact your Ford dealer for an appointment to have the vehicle remedied as soon as practicable. If you do not already have a service dealer, you can access ford.com/support for dealer addresses, maps, and driving instructions.

Please review the enclosed Ford Motor Company Recall Notification Letter. If you have questions about this recall, contact the Ford Customer Relationship Center at 1-800-444-3311.

***** IMPORTANT SAFETY RECALL *****

Compliance Recall Notice 26C01 / NHTSA Recall 26V025

2025 Commercial Chassis

This Notice Applies to Your Vehicle, Vehicle Identification Number (VIN): [REDACTED]

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Ford Motor Company has decided that certain 2025 Model Year F-53 Recreational Motorhome Stripped Chassis and F-59 Commercial Stripped Chassis vehicles, each built on a chassis supplied by Ford, including the VIN shown above, fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) 108 - Lamps, reflective devices, and associated equipment.

We apologize for this situation and want to assure you that, with your assistance, we will correct this condition. Our commitment, together with your dealer, is to provide you with the highest level of service and support.

What is the issue?

The stoplamp switch that controls your vehicle's brake lights may have been installed incorrectly, which could lead to potential damage to the switch. A damaged stoplamp switch may cause exterior brake lamps not to illuminate when the brake pedal is pressed, or to illuminate without the brake pedal being pressed. Additionally, features such as cruise control and trailer-tow may not operate correctly. A damaged switch could also make it possible to shift out of Park without pressing the brake pedal.

What is the risk?

Brake lamps that do not function correctly increase the risk of a crash. Your vehicle also may shift out of Park without pressing the brake pedal, which can cause the vehicle to roll unexpectedly, increasing the risk of a crash or injury.

What will Ford and your dealer do?

Parts are now available to repair your vehicle. Ford Motor Company has authorized your dealer to replace the stoplamp switch free of charge.

How long will it take?

The time needed for this repair is less than one-half day. However, due to service scheduling requirements, your dealer may need your vehicle for a longer period of time.

What should you do?

Please call your dealer without delay and request a service date for Recall 26C01. Provide the dealer with your VIN, which is printed near your name at the beginning of this letter.

Ford has not issued instructions to stop driving your vehicle under this compliance recall. You should contact your dealer for an appointment to have your vehicle remedied as soon as practicable.

If you do not already have a servicing dealer, you can access ford.com/support for dealer addresses, maps, and driving instructions.

Ford Motor Company wants you to have this compliance recall completed on your vehicle. The vehicle owner is responsible for making arrangements to have the work completed. Ford Motor Company can deny coverage for any vehicle damage that may result from the failure to have this recall performed on a timely basis. Therefore, please have this recall performed as soon as possible.

Please note: Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

What should you do? (continued)	NOTE: You can receive information about Recalls and Customer Satisfaction Programs through our Ford App. The app can be downloaded through the App Store or Google Play. In addition, there are other features such as reserving parking in certain locations and controlling certain functions on your vehicle (lock or unlock doors, remote start) if it is equipped to allow control.
Mobile Service	Ford Mobile Service is offered by participating dealers, contact your dealer for details.
Pickup and Delivery	Complimentary vehicle Pickup & Delivery service may also be available upon request through participating dealers. Your dealer will pick up your vehicle and return it with the repair completed.
Have you previously paid for this repair?	If you have previously paid for a repair that addresses the issue described in this letter, you still need to have this recall performed to ensure the correct part was used. You may be eligible for a refund of previously paid repairs. Refunds will only be provided for service related to stoplamp switch replacement. To verify eligibility and <u>expedite reimbursement</u>, give your paid original receipt to your dealer. Refund requests may also be sent directly to Ford Motor Company. To request your refund from Ford, send the refund request with all required documentation, including your original repair receipt (no photocopies), to Ford Motor Company at PO Box 6251, Dearborn, Michigan 48121-6251. Refund requests mailed to this address may take up to 60 days to process. Your original receipt will be returned to you. Detailed information regarding eligibility for Ford's reimbursement program and documentation requirements may be obtained by contacting the Ford Recall Assistance Center at 1-866-436-7332.
What if you no longer own this vehicle?	If you no longer own this vehicle and have an address for the current owner, please forward this letter to the new owner. You received this notice because government regulations require that notification be sent to the last known owner of record. Our records are based primarily on state registration and title data, which indicate that you are the current owner or lessee.
Can we assist you further?	If you have difficulties getting your vehicle repaired promptly and without charge, please contact your dealership's Service Manager for assistance. If you have questions or concerns, please contact our Ford Recall Assistance Center (RAC) at 1-866-436-7332 and one of our representatives will be happy to assist you. The RAC is open on weekdays from 8:30 AM – 7:00 PM (Eastern Time). TTY/TDD users, please contact the RAC at the number listed using the Telecommunication Relay Service by dialing 711. If you wish to contact us through the internet, our address is ford.com/support. MOTORHOME OWNERS: If you have questions or concerns, please contact our Motorhome Customer Assistance Center toll-free at 1-800-444-3311. Representatives are available 24 hours a day. If you are still having difficulty getting your vehicle repaired in a reasonable time or without charge, you may write the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave. S.E., Washington, D.C. 20590 or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-888-275-9171) or go to NHTSA.gov. Reference NHTSA Safety Recall 26V025.

Thank you for your attention to this important matter.
