

[26-BE-005G - Blower Motor Front Wiring Replacement \(Warranty Extension Z02G\)_\(posted 02.27.26\).pdf](#)

Genesis Motor America has re-launched Warranty Extension Z02G: Blower Motor Multi-Fuse & Fuse Box Inspection, & Front Wiring Replacement.

Revision: Include 2020–2022 model year G70 (IK) vehicles and include additional part numbers and Op Codes in the TSB.

A. Affected Vehicles:

Certain 2019-22MY G70 (IK) produced from 01/03/2018 – 10/12/2021

VIN Identification: Use the 'Vehicle Information' screen in WebDCS under the 'Extended Factory Warranty' section to determine warranty extension applicability.

B. Warranty Extension Description:

The warranty coverage for repairs and replacement of the front wiring on some G70 (IK) vehicles has been extended to 10 years or 120,000 miles from the date of original retail delivery or date of first use, whichever occurs first, and is valid for original and subsequent owners.

Some vehicles may have an inoperative blower motor (not blowing). This may be caused by damage or deterioration of the blower motor multi-fuse and fuse box.

Technical Service Bulletin (TSB) 26-BE-005G provides the service procedure to inspect multi-fuse and fuse box for damage or deterioration and, if necessary, replace the blower motor front wiring.

Please note that any vehicles under 10 years/120,000 miles are covered by this TSB, even if the vehicle is within the original warranty of 5 years/60,000 miles.

C. Parts Information:

1. Refer to TSB 26-BE-005G for applicable part numbers to order if front-wiring replacement is required.

D. Warranty Extension Documents:

1. TSB 26-BE-005G

A. Available on GenesisdealerUSA.com > Service > GMA Tech Info > TSB

2. Retailer Notification

B. Available on GenesisdealerUSA.com > Service > GMA Tech Info > Service News

E. Action Required:

1. Confirm VIN eligibility for warranty extension via WebDCS.

2. **Follow TSB 26-BE-005G** for the service procedure to inspect multi-fuse and fuse box for damage or deterioration and, if necessary, replace the blower motor front wiring.

3. **Submit claim under the 'Campaign' claim entry screen** once the service procedure is completed.

We appreciate your continued partnership and commitment to our Genesis guests. Thank you for your patience and understanding.
