

Important Program Update: Alliance EX Value Brake Drum

Communication Type: Parts Programs

Date: 2/10/2026

Effective immediately, DTNA Parts is suspending the trailer-load only Alliance EX Value Brake Drum program due to supplier sourcing concerns. A reactivation date is uncertain at this time, but solutions are being considered. DPMs will contact individual locations with existing orders that may be affected by the program suspension. For reference, below is the part number that is no longer available for purchase:

ABP N42A1657EXVBTL: TRAILER LOAD, 16.5X7 VALUE BRAKE DRUM

For additional information, please contact your DPM or the DTNA Parts Marketing team below.
