COMPLAINT

Server may not be available when accessing with your AS2 account

CAUSE

Scheduled MUT3-SE system maintenance

REMEDY

Mitsubishi is planning to perform scheduled system maintenance to the MUT3-SE software on the dates listed in this document. The update to the MUT3-SE software is directly connected to the server that your technicians communicate with. Some of the times listed may disrupt the way you schedule service work in your shop for a brief period. Therefore, please make necessary adjustments to your service schedule to avoid any inconveniences to your valuable customers.

Server Down Times

Wednesday, February 11, 2026: 5:00-8:00 a.m. (CST)

Sunday, February 15, 2026: 12:00-5:00 a.m. (CST)

Sunday, February 22, 2026: 12:00-5:00 a.m. (CST)
