

Preventative Maintenance 12v Campaign

Rivian has identified your R1 may be at risk of experiencing a 12-volt battery failure. To avoid any potential driveability interruptions and access issues, we'd like to proactively repair your vehicle as soon as possible.

Please call Rivian Service Support 24/7 at [855-748-4265](tel:855-748-4265) to schedule this no-cost appointment.
