**CAN 26-007 - Chassis Advisory Notice**  
**IMPORTANT FORD CHASSIS RECALL INFORMATION**  
**Ford Safety Recall 25SB4 / 25V726**

Name  
Address  
City, St. Zip

Dear Valued Customer,

This is a Chassis Advisory Notice from Jayco Inc. Ford Motor Company has decided that a defect which relates to motor vehicle safety exists in certain 2026 Econoline vehicles.

On your vehicle, it may be possible to experience a noisy, partially inoperable, or completely inoperable Heating Ventilating and Air Conditioning (HVAC) blower motor. An inoperable or partially inoperable HVAC blower motor may affect windshield defrost and defogging capability, which can decrease visibility under certain driving conditions, increasing the risk of a crash.

Ford Motor Company has authorized your Ford dealership to inspect the blower motor assembly. If your vehicle passes the inspection, the Field Service Action will be closed. If your vehicle fails the inspection, and damage is found on the blower motor assembly, a rental vehicle will be provided until parts to repair the blower motor assembly are available.

Please call your Ford dealer without delay and request a service date for Recall 25SB4. Provide the Ford dealer with your VIN, which is printed below in this letter.

Please contact your Ford dealer for an appointment to have the vehicle remedied as soon as practicable. If you do not already have a Ford service dealer, you can access [ford.com/support](https://ford.com/support) for dealer addresses, maps, and driving instructions.

**Please review the enclosed Ford Motor Company Recall Notification Letter.** If you have questions about this recall, contact the Ford Recall Assistance Center (RAC) at 1-866-436-7332 or contact the Motorhome Customer Assistance Center toll-free at 1-800-444-3311.

Ford Motor Company Vehicle Identification Number: **VIN**

Thank you for your attention to this important matter.

Sincerely,

Compliance Management  
Jayco Inc. Motorized Division

Dear Valued Dealer,

This notice is sent to your dealership to advise that Ford Motor Company is recalling certain 2026 Econoline vehicles including the VIN shown below.

On your vehicle, it may be possible to experience a noisy, partially inoperable, or completely inoperable Heating Ventilating and Air Conditioning (HVAC) blower motor. An inoperable or partially inoperable HVAC blower motor may affect windshield defrost and defogging capability, which can decrease visibility under certain driving conditions, increasing the risk of a crash.

Ford Motor Company has authorized your Ford dealership to inspect the blower motor assembly. If your vehicle passes the inspection, the Field Service Action will be closed. If your vehicle fails the inspection, and damage is found on the blower motor assembly, a rental vehicle will be provided until parts to repair the blower motor assembly are available.

Our records show the following unit is affected by this recall and is part of the current inventory at your dealership. Please call your Ford dealer without delay and request a service date for Recall 25SB4. Provide the Ford dealer with your VIN, which is printed below in this letter. Please contact your Ford dealer for an appointment to have the vehicle remedied as soon as practicable. If you do not already have a Ford service dealer, you can access [ford.com/support](http://ford.com/support) for dealer addresses, maps, and driving instructions.

Please review the enclosed copy of the Ford Motor Company Recall Notification Letter. If you have questions about this recall, contact the Ford Customer Relationship Center at 1-800-444-3311.

**\*\*\* IMPORTANT SAFETY RECALL \*\*\***

**Safety Recall Notice 25SB4 / NHTSA Recall 25V726**

This Notice Applies to Your Vehicle, Vehicle Identification Number (VIN): See Listing

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Ford Motor Company has decided that a defect which relates to motor vehicle safety exists in certain 2026 Econoline vehicles, including the VIN shown above.

We apologize for this situation and want to assure you that, with your assistance, we will correct this condition. Our commitment, together with your dealer, is to provide you with the highest level of service and support.

**What is the issue?** On your vehicle, it may be possible to experience a noisy, partially inoperable, or completely inoperable Heating Ventilating and Air Conditioning (HVAC) blower motor.

**What is the risk?** An inoperable or partially inoperable HVAC blower motor may affect windshield defrost and defogging capability, which can decrease visibility under certain driving conditions, increasing the risk of a crash.

**What will Ford and your dealer do?** Ford Motor Company has authorized your dealer to inspect the blower motor assembly. If your vehicle passes the inspection, the Field Service Action will be closed. If your vehicle fails the inspection, and damage is found on the blower motor assembly, a rental vehicle will be provided until parts to repair the blower motor assembly are available.

**How long will it take?** The time needed for this inspection is less than one-half day. However, due to service scheduling requirements, your dealer may need your vehicle for a longer period of time.

**What should you do?** Please call your dealer without delay and request a service date for Recall 25SB4. Provide the dealer with your VIN, which is printed near your name at the beginning of this letter.

Ford has not issued instructions to stop driving your vehicle under this safety recall. You should contact your dealer for an appointment to have your vehicle remedied as soon as practicable.

If you do not already have a servicing dealer, you can access [ford.com/support](https://ford.com/support) for dealer addresses, maps, and driving instructions.

Ford Motor Company wants you to have this safety recall completed on your vehicle. The vehicle owner is responsible for making arrangements to have the work completed. Ford Motor Company can deny coverage for any vehicle damage that may result from the failure to have this recall performed on a timely basis. Therefore, please have this recall performed as soon as possible.

**Please note: Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.**

- What should you do? (continued)** NOTE: You can receive information about Recalls and Customer Satisfaction Programs through our FordPass App. The app can be downloaded through the App Store or Google Play. In addition, there are other features such as reserving parking in certain locations and controlling certain functions on your vehicle (lock or unlock doors, remote start) if it is equipped to allow control.
- Pick-Up and Delivery** Complimentary vehicle Pick-Up & Delivery service may also be available upon request through participating dealers. Your dealer will pick up your vehicle and return it when the inspection is completed.
- Have you previously paid for this inspection?** If you have previously paid for an inspection that addresses the issue described in this letter, you still need to have this recall performed to ensure the correct parts were used.
- You may be eligible for a refund of previously paid inspections. Refunds will only be provided for service related to replacing the blower motor. To verify eligibility and expedite reimbursement, give your paid original receipt to your dealer.
- Refund requests may also be sent directly to Ford Motor Company. To request your refund from Ford, send the refund request with all required documentation, including your original repair receipt (no photocopies), to Ford Motor Company at PO Box 6251, Dearborn, Michigan 48121-6251. Refund requests mailed to this address may take up to 60 days to process. Your original receipt will be returned to you.
- Detailed information regarding eligibility for Ford's reimbursement program and documentation requirements may be obtained by contacting the Ford Recall Assistance Center at 1-866-436-7332.
- What if you no longer own this vehicle?** If you no longer own this vehicle and have an address for the current owner, please forward this letter to the new owner.
- You received this notice because government regulations require that notification be sent to the last known owner of record. Our records are based primarily on state registration and title data, which indicate that you are the current owner or lessee.
- Can we assist you further?** If you have difficulties getting your vehicle inspected promptly and without charge, please contact your dealership's Service Manager for assistance.
- If you have questions or concerns, please contact our **Ford Recall Assistance Center (RAC) at 1-866-436-7332** and one of our representatives will be happy to assist you. The RAC is open on weekdays from 8:30 AM – 7:00 PM (Eastern Time). TTY/TDD users, please contact the RAC at the number listed using the Telecommunication Relay Service by dialing 711.
- If you wish to contact us through the internet, our address is [ford.com/support](http://ford.com/support).
- MOTORHOME OWNERS:** If you have questions or concerns, please contact our **Motorhome Customer Assistance Center toll-free at 1-800-444-3311**. Representatives are available 24 hours a day.
- If you are still having difficulty getting your vehicle inspected in a reasonable time or without charge, you may write the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave. S.E., Washington, D.C. 20590 or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-888-275-9171) or go to [NHTSA.gov](http://NHTSA.gov). Reference NHTSA Safety Recall 25V726.

Thank you for your attention to this important matter.
