NEW VEHICLE LIMITED WARRANTY EXTENSION (WTY042)
Q & A
MARCH 23, 2026

Q1. Why is Kia extending the New Vehicle Limited Warranty for the horn assembly?

A1. *Kia America, Inc. takes pride in providing you with high quality and dependable vehicles. To maintain these standards, Kia is extending the New Vehicle Limited Warranty coverage for repairs related to the horn assembly. This warranty extension is to address a horn sound malfunction condition.*

Q2. What is the term of the warranty extension for the horn assembly?

A2. *Kia is extending the New Vehicle Limited Warranty coverage, to all owners, for repairs related to the horn assembly for eligible vehicles from 5 years / 60,000 miles to 10 years / 120,000 miles, whichever comes first, starting from the date the vehicle was first put into service.*

Q3. What vehicles are covered under the terms of this warranty extension?

A3. *Certain 2021-2025 MY Sorento vehicles manufactured from September 10, 2020, through June 3, 2025.
Certain 2021-2025 MY Sorento Hybrid (HEV) vehicles manufactured from September 2, 2020, through January 24, 2025.
Certain 2022-2025 MY Sorento Plug-in Hybrid (PHEV) vehicles manufactured from June 29, 2021, through January 20, 2025.*

Q4. Does this warranty extension also extend the warranty on other vehicle components?

A4. *No. This warranty extension is limited to the horn assembly malfunction condition and does not alter the limitations and exclusions contained in the New Vehicle Limited Warranty.*

Q5. What should vehicle owners do when they receive the warranty extension notice?

A5. *Owners should retain the Warranty Extension Letter in the glove compartment of their vehicle, preferably together with the vehicle's other warranty information. Owners are to contact their nearest Kia dealer to have their vehicle diagnosed if the subject vehicle's horn does not emit any sound or emits an unusual or different horn sound than normal. Vehicle owners are to provide the letter to their servicing dealer when seeking service. Owners who sell their vehicles should ensure that this letter is included with the documents provided to the buyer.*

Q6. Does this warranty extension cover the cost of having the vehicle diagnosed by a Kia dealer?

A6. *Yes. If, at any time within the extended warranty period, the subject vehicle's horn does not emit any sound or emits an unusual or different horn sound than normal, Kia authorizes its dealers to diagnose the cause free of charge at no cost to the customer.*

If the above symptoms are diagnosed as being due to corrosion inside the electric horn and/or carbonization of the contact point, Kia authorizes its dealers to replace the horn assembly free of charge at no cost to the customer under this warranty extension.

- Q7.** What happens if the diagnosis reveals the vehicle's horn concern is not caused by corrosion inside the electric horn and/or carbonization of the contact point?
- A7.** *If diagnosis reveals that your vehicle's horn concern is not caused by corrosion inside the electric horn and/or carbonization of the contact point, any necessary repairs will NOT be covered under this warranty extension and your dealer will advise the customer what the associated repair cost(s) will be if no warranty coverage applies.*
- Q8.** Does the warranty extension apply to used vehicles?
- A8.** *Yes, provided the vehicle falls within the parameters of this warranty extension (10 years / 120,000 miles, whichever comes first, starting from the date the vehicle was first put into service).*
- Q9.** If an owner has an immediate question, where can they get further information?
- A9.** *The customer can contact their authorized Kia dealer or call Kia's Customer Care Center at 1-800-333-4542 (Monday through Friday, 5AM to 6PM, Pacific Time), or through the owner's section of www.kia.com.*
- Q10.** What about owners who may have already paid to have this issue remedied?
- A10.** *Owners who have incurred expense to remedy this issue prior to the date of this notice may have the opportunity to obtain reimbursement for that expense.
