Expiration Date: April 14, 2026

DCSnet Message  
**Important**

Subject: **Update - Recent F25 Air Bag Module Service Actions**

The following Service Actions are temporary campaigns aimed at collecting sample parts from the specified vehicles.

B65 05 26 Service Action: Replace PSDI-X Driver's Air Bag Module

B65 06 26 Service Action: Replace PSPI-X Passenger's Air Bag Module

Once the necessary number of parts have been collected, the Service Actions will be closed. At which point, no further action will be needed on these vehicles for these campaigns.

Please note, the parts included in these campaigns are non-returnable. Be sure to review order quantities carefully before placing to avoid overstocking these parts.

Schedule appointments accordingly based on the parts you have available.

Thank you for your cooperation with these temporary campaigns.

Sincerely,

Technical Service
