

Seat Belt Buckle Protection Tape Update (U.S)

This instruction is applicable to the RH and LH side. The illustrations show the LH side.

This instruction is applicable to Agera RS US version.

Situation

On a very limited number of Agera vehicles, the protective tape on the right and left seat belt buckles may be absent or damaged.

Action

Clean the seat belt buckle surface and apply protective tape.

WARNING

Do not use PPE (Personal Protective Equipment) that has expired or is damaged. Expired or damaged PPE can cause injury or death to person.

WARNING

Always refer to the manufacturer's safety data sheet for the [coolant/oil/washer fluid/solvent/fuel] and use the necessary PPE. The [coolant/oil/washer fluid/solvent/fuel] can cause injury or death.

CAUTION

Always refer to the local regulations and manufacturer's safety data sheet when you discard the [coolant/oil/washer fluid/solvent/fuel]. The [coolant/oil/washer fluid/solvent/fuel] can cause damage to the environment.
