

Subject: 2026 CX-5 - ADDING ODOMETER TO THE CENTER DISPLAY HOME SCREEN	Service Alert No.: SA-013/26
	Last Issued : 03/06/2026

BULLETIN NOTES

APPLICABLE MODEL(S)/VINS

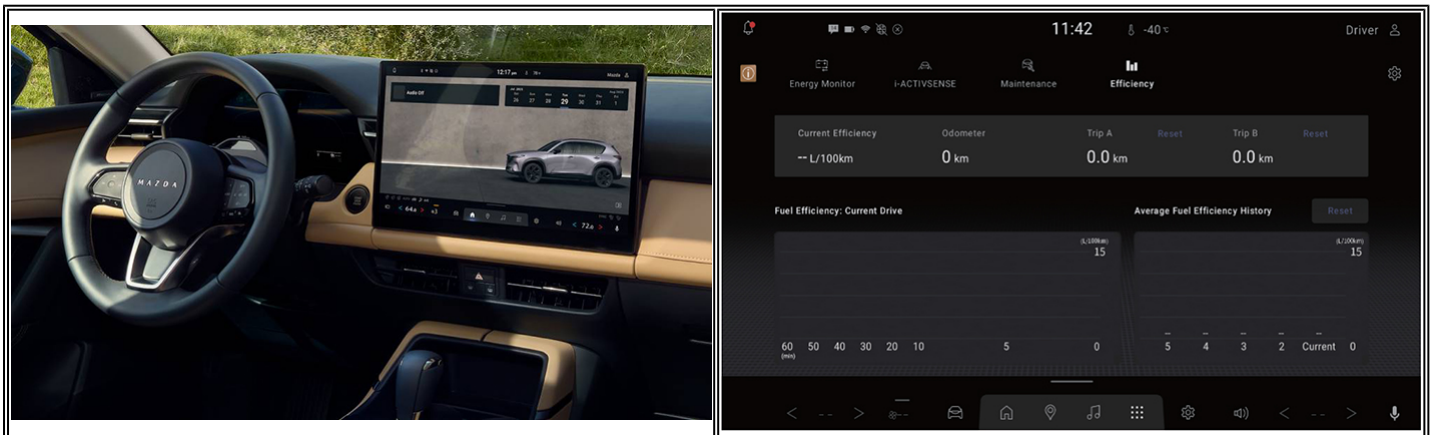

2026 CX-5

DESCRIPTION

ADDING ODOMETER TO THE CENTER DISPLAY HOME SCREEN

The 2026 Mazda CX-5 displays the odometer (mileage) on the center display rather than in the instrument cluster.

- The odometer and trip meter are not displayed in the instrument cluster; instead, they appear on the center display. This information can be accessed through the **Efficiency** application.

Click the images to view it in full size.

Adding the Odometer to the Center Display Home Screen

CONSUMER NOTICE: The information and instructions in this bulletin are intended for use by skilled technicians. Mazda technicians utilize the proper tools/ equipment and take training to correctly and safely maintain Mazda vehicles. These instructions should not be performed by "do-it-yourselfers." Customers should not assume this bulletin applies to their vehicle or that their vehicle will develop the described concern. To determine if the information applies, customers should contact their nearest authorized Mazda dealership. Mazda North American Operations reserves the right to alter the specifications and contents of this bulletin without obligation or advance notice. All rights reserved. No part of this bulletin may be reproduced in any form or by any means, electronic or mechanical---including photocopying and recording and the use of any kind of information storage and retrieval system ---without permission in writing.

1. From the Home screen, select the "Edit Home Screen" icon at the bottom right corner.
2. Hold and drag the Media content down one level.
3. Hold and drag the Efficiency content above the Media content.
4. Exit "Edit Home Screen"

Note: " Driver" profiles can have unique system preference settings. When a new profile is created, the center display home screen defaults to the same initial state. This procedure can then be performed on the newly created profile.

The odometer is now displayed in the Center Display Home screen.
