

2026 MY Nautilus

Accessory Protocol Interface Module - PHX

PHX-25.1.2.5.5

Software Update 11 - Phone Call Audio

Accessory Protocol Interface Module

As a reminder, to help keep your vehicle up to date, we recommend switching Automatic Updates to ON and setting a Recurring Update Schedule. These options are found in Settings under Software Updates.

1

PHX-25.1.2.5.5

"This software update contains the following key changes:

- We've made improvements to phone call audio quality when using Apple CarPlay and Android Auto."
