Software Update 11 - Center Touchscreen

Accessory Protocol Interface Module

As a reminder, ensure you have a recurring Software Update schedule set in order to receive important updates for your vehicle. Visit the Software Update settings in-vehicle or on your mobile app.

1

SYNC-26.2.4.10

"This software update contains the following key changes:

- Make memories on your next road trip or tailgating event with the new Stingray Karaoke app. While parked, the lyrics will be displayed on the center touch screen. As you drive, passengers can scan the QR Code from the center touch screen and sing along by viewing the lyrics on their phone. The app is available in the Apps drawer (if applicable).
- Minor bug fixes and improvements."
