

TECH TIP

ID No. TT-26-002
Ref. No. TECH ASSIST
Release Date 3-25-2026

TT-26-002 Post Campaign AB5R0x or AB5S0x Supplement Manuals

OVERVIEW

After completing emissions campaign AB5R0x or AB5S0x, future diagnosis might be required. The purpose of this TechTip is to assist with locating supplement service manuals for post emissions campaign trucks that have completed campaign AB5R0x or AB5S0x

SUBJECT VEHICLES

Certain 18MY – 21MY Cab-Over and Conventional Trucks equipped with a J05 or J08 engine and completed campaign AB5R0x or AB5S0x that require post emission campaign diagnosis.

WARRANTY TERMS

This TechTip is for information only, it does not imply any warranty

REPAIR PROCEDURE

Post campaign supplement service manual path – *HinoNet > Service > Service Manuals > Select Cab-Over or Conventional > Select MY 18-21 > Locate Post Campaign AB5R0X or AB5S0x Supplement*
